## ACCREDITATION CERTIFICATE

Akkred. nr. 2021  
Calibration  
ISO/IEC 17025

**RTI Group AB**

Registration number 556230-2462

is accredited as a calibration laboratory for the scope specified in appendix 2 to decision dated 2020-06-05. The applicable terms of the accreditation are specified in appendix 1 in the same decision.

This laboratory is accredited in accordance with the International Standard ISO/IEC 17025:2017. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system. The accredited laboratory is responsible for the results of performed *calibration* and submitted judgements as well as, where applicable, for the selection and application of work methods within the scope of the granted accreditation.

*The accreditation is valid until further notice.* The Swedish Board for Accreditation and Conformity Assessment (Swedac) regularly carries out surveillance, and a full reassessment every fourth year, in order to verify that the applicable terms of accreditation, see appendix 1 as above, are continually fulfilled.

This accreditation certificate is valid from **2020-06-05** by  
Fredrik Langmead,  
Assistant Manager of the Industry division

*Accreditation was granted in accordance with Article 5 (1) or Regulation (EC) No 765/2008 regarding accreditation and market surveillance etc. and the Act (SFS 2011:791) concerning Accreditation and Conformity Assessment. Swedac is the national accreditation body responsible for the assessment of the competence of certification bodies, inspection bodies, laboratories, environmental verifiers, validation and verification bodies and bodies for providing programme for proficiency testing applying for accreditation. This accreditation has been issued under the EA MLA and is therefore recognised as equivalent to other accreditations issued under the EA MLA within the same accreditation scope.*
